OUR PURPOSE AS A CHURCH

Knowing God for ourselves. *Growing* as individuals and as a church.
Showing God's love in the world.

Caring for Creation

Climate change, plastic pollution, palm oil plantations etc – who cares? Well, according to the Bible, God does. And so as Christians we should too.

Psalm 24 says that 'The earth is the Lord's and everything in it'. Psalm 104 describes the variety of God's creation and his provision for all his creatures. Genesis 1:26 describes how God has given human beings dominion over the earth – but does that mean we can exploit it and trash it to suit ourselves?

Science helps us to see how the whole of nature is integrated – our very survival depends on the wellbeing of tiny organisms that we never see. But even on the surface we can see how climate change affects the poorest communities most, as droughts hinder food production and hurricanes sweep away people's homes and livelihoods.

In March we'll be looking at the theme of 'Caring for Creation' in our services and in house groups, using material from our Lent Appeal charity, A Rocha. Meanwhile, look out for information in the media that you can bring to the table as we explore these issues together, and listen for God's guidance as you pray about these issues. **John Castle**

Please pray for those on the prayer board. Please pray for the families of Peter Pilbeam, Colin Nash and James Underwood (RIP), and for divided and troubled families in our community.

Winspire Progress and how you can help

I am delighted to announce that the major restoration of the St Michael Window is now complete and the window was returned to its place in plenty of time for Christmas. The window now glows in the sunshine and the faces of the saints can clearly be seen again after the careful restoration work by Salisbury Cathedral Stained Glass Workshop. Two smaller windows, also at the west end of the church, are away for restoration and will be returned in February. I want to thank the St Michael's community for their support in raising the approximately £25,000 it has cost to complete the project.

We are now working hard to raise the funds for the repair of the spire, clock and bells, all of which need substantial work if they are to be safeguarded for the future. We are applying for grant funding, but continue to welcome any support that our community can offer.

Smith of Derby came to assess the clock in December and told us it needs a complete overhaul and restoration of the face, which is very faded. This will cost approximately £10,000. Derek wrote in the January newsletter about the work needed on the bells. There is also the cost of the spire repair!

If anybody would like to make a specific donation toward the repair of a bell or the clock, perhaps in memory of a loved one or for a specific event, please do talk to me or any of the Winspire team.

St Michael's Health and Safety Review

We recently completed a health and safety review at St Michael's and we need volunteers to help us in these areas:

A Health and Safety Officer. We need someone who can keep an overall eye on Health and Safety. The policy has been updated and several actions taken – so now is a good time to take it on!

First Aiders. If you have an up-to-date first aid certificate and wouldn't mind occasionally being the designated first aider at events or services. I have some names already, but more volunteers would be good.

Health and Hygiene Certificate. we are offering training to those who are involved in food service at church activities and socials. If you help at these activities and would like to do the training please speak to me.

If you can help with any of these, please contact me on:

The Annual Parochial Church Meeting (APCM)

The APCM will take place on Sunday 28th April from 11.00am to 12.30pm. We are looking for new members of the PCC, Deanery Synod members and a new Churchwarden.

Annual Review

Each year we compile a document which contains reports from all the different groups in St Michael's. This year it will be available from the beginning of April. If you are involved in leading a group please send your groups submission to Emma Hodge (emma.l.hodge@outlook.com) by 10th March. Late entries may not make it into the report! If you are in a group but not a leader, why don't you offer your assistance as many hands make light work. If your group hasn't been included before, it doesn't matter, it can easily be added – the more the better! Any photos also welcome (but please ensure that permission of those in the photos is obtained first).

Church Membership and the Electoral Roll

Every six years, we start again with a fresh electoral (membership) roll. This is the year for a new one, so even if you have been on the roll before you need to get the new form to complete. Membership enables you to vote at the Annual Parochial Church Meeting (APCM) and, if you wish, to stand for election to the Parochial Church Council (PCC), to the Deanery Synod or as Churchwarden. Parents who are considering sending a child to Ranelagh School should also be aware that membership of the church roll is a criterion for admission.

To join or to continue as a member, you will need to fill in a new 2019 application form. **Please note that if you don't fill in a new form, you will cease to be a member of St Michael's Electoral Roll.** We are not allowed to automatically transfer your name from the old roll to the new one. The forms will be available in February and need to be returned to the Parish Office no later than 4th April.

If you regularly worship with us, are baptised and consider yourself a member of the Church of England, you should fill out a form. Any questions, please contact the Electoral Roll Officer, Claire Clay, or one of the churchwardens.

Charities

As many of you will be aware, each month we focus on a different charity, this year there is also a display about the charity on the boards on the

toddler time is for everyone under school age and their carers. It's on the 2nd and 4th Thursdays of the month from 9.00am to 11.00am in the Pastoral Centre (not school holidays). Come and join us for songs, craft activities, drinks and toast, a Bible story and prayers, and an opportunity for play (children) and chat (parents). NB – Dads also welcome!

Parish Communion (9.30 am). During term time, including half-term breaks, there are age-related activities in the Pastoral Centre for children aged three up to school year 5 every week, and for Year 6+ on the 2nd and 4th Sundays of the month. They should come to the Pastoral Centre by 9.25 am to be registered, except on the 2nd Sunday of the month, when we all meet in church to take part in the beginning of the service. The group leaders bring the children into the church for the last part of the service every week. Our crèche is not currently running, but arrangements can be made at short notice to care for children under three years. Please ask one of the welcome team.

During the main school holidays children should come into the church with their parents at the beginning of the service, and will be invited to join a leader after a few minutes of the service to watch a Christian story based DVD in the Pastoral Centre. The group leaders bring the children into the church for the last part of the service. For young children staying in the service there are play-bags for them to enjoy – please ask one of the welcome team.

The Family Service is held on the first and third Sundays of the month, including school holidays. It is informal and child friendly, with action songs and an interactive talk, and is a place you really can come to with small children and not worry how they will behave! Refreshments are served in the church from 11.00am; worship begins at 11.15am and lasts about 45 minutes. Come and meet other families and make friends. We need help with refreshments and welcoming, so please email Kirsty Dunlop at kirsty@tcb-arrow.co.uk if you'd like to volunteer!

Youth Activities

Sunday Dream Big Youth Club, 6.00pm to 8.00pm, in the Pastoral Centre, for any young people aged 11–18 years old. Sunday morning REACH is on the 2nd and 4th Sunday during the 9:30am service. Contact Liz and Mike 07591240161.

parish chest, please do take a look and learn more about the charity. Many thanks to Thea Parker for organising the displays. In February we are focussing on Sandhurst Counselling Service (see below), while in March, our Lent appeal 'A Rocha' will be the focus of our prayers.

St Michael's School Foundation Governors (4 needed)

We are still looking for Foundation Governors for our Voluntary-Aided School. If you would be willing to offer your time and the expertise you have acquired through your work and life experience (not necessarily in education), we would be very pleased to hear from you. If you are interested in exploring the idea of becoming a governor, please do speak to Sue Campbell, John Castle, Samantha Wilkins or Nicki Ray. You could also go to www.oxford.anglican.org/schools/governance/.

This month's charity – Sandhurst Counselling Service

Twenty years ago, when Sandhurst Counselling Service (SCS) was born to support those going through relationship break down, Sue Smith and her team probably had little idea of where the Lord might take their work. From that humble birth, the development of the service has been overseen by Di Taylor, with great skill and dedication, to the point where now SCS is an established part of the support network for those struggling with mental health issues in our area – much needed and respected. We are hugely grateful for the ongoing support from St Michael's.

So it was a real challenge when Di told the Trustees in the autumn that the time had come for her to step back! We are, however, delighted to say that we have been successful in recruiting a new Clinical Manager, Malgorzata Milewicz, who will join us in March to continue to ensure we offer a highly professional service to all those who need it.

As St Michael's charity focus this month, we covet your prayers through this important transition; prayers for Di as she starts her 'retirement' from the service, Malgorzata as she picks up the reins, and for all involved that we may see God's leading and hand in all the change.

9:30 service

Do you come to the Parish Communion Service? If so, would you be willing to help. We are desperately in need of people to help as a server – to help serve coffee before the informal service, to help with the logistics of setting up the projector/screen at the beginning of the informal service and also as needed during the service. There is still a need for people to join the intercessors, or as a sidesperson. Please speak to John Castle or a churchwarden if you can help.

Emma Hodge, Churchwarden

A gentle nudge

I'm aware that it often takes some time for a message to be heard, sink in, be considered and then responded to. So, in hope, I am giving a gentle reminder that the opportunities to do your little bit for others are still there. There are people who would love someone to pop in from time to time for a cup of tea and a chat. There are people who would come to church if someone could offer them a lift, and so on ... The *Faith Into Action* forms are still at the back of the church, or have a chat with Steph Martin or myself to see whether what you could contribute to making our church a more caring community.

Exploring faith for adults, teens and children

Would you like to be closer to God at the end of the year than you are now? Here are some of the opportunities that our church offers us to explore faith more deeply, in addition to the usual weekly house groups and Sunday activities for young people and children.

Adults The *Start Course* is a 6-week course about basic Christian beliefs, using short DVD programmes and discussion.

The *Moving On course* looks at what being a Disciple of Jesus means in all aspects of our lives (same format as *Start*).

Teenagers *Youth Emmaus* is a discussion-based course in 13 units that enables young people of secondary school age to get to grips with what it means to be a Christian. For some, the journey may include Confirmation.

Children *Welcome to the Lord's Table* is a course for children of primary school age to prepare them for receiving Holy Communion (NB this is NOT a preparation for Confirmation).

All of these courses are run as and when there is sufficient demand. Please contact the Rector or the Parish Office to express interest, or speak to one of the youth or children's leaders regarding *Youth Emmaus* or *Welcome to the Lord's Table*. For those adults and teens who are ready to make the step of

Confirmation, there will be a Confirmation Service with the Bishop of Oxford at St Michael's on Sunday 14th July.

Discovery Meetings!

What's St Michael's Church all about, then? What's the vision? Who's who? What goes on? Where could I fit in? If you have any of these questions, we'll be trying to answer them at our informal, low-pressure Discovery Meetings. You'll get to meet a few key members of our church over drinks and hear a short presentation about our vision and activities: **Sunday 24th March 3.30 pm; or Wednesday 3rd April at 8.00 pm**, both upstairs in the Pastoral Centre for about an hour and a quarter.

Future Fundraising activities:

If anyone has items which are suitable for sale at a car boot sale or on Ebay, please let Sue Campbell know. The church is planning some fundraising car boots this spring. If you have yet to return our flyer asking for support, please put it in the box at the back of the church.

Thank you, Sue Campbell

Mothering Sunday is 31st March this year!

As it's the day the clocks go forward, we are going to have a Joint Parish Communion/Family Service at **10.30am** for about an hour, with breakfast and tea/coffee beforehand (not afterwards). Put it on your calendar now (and underline the time) and please come (with or without your mother!) The 8.00am Holy Communion will run as usual.

Altar Frontals – Update

Many thanks to all who voted in the consultation about replacing the green and ivory frontals for the high altar. At the January PCC meeting, the embroidered superfrontal option (this is the narrow top band) was selected and now a faculty is being prepared and will be submitted shortly.
