
SANDHURST DAY CENTRE

Our charity for August

The Day Centre as we know it now became a charitable organisation in 1988 and provides daily facilities for older residents of Sandhurst and the surrounding area. The original Day Centre was in a temporary building which was donated, by the *Sandhurst Yateley Round Table*, to Sandhurst circa 1975. Fundraising events were held in order to build a permanent Day Centre in its place.

Its purpose is to ensure a facility for these valued members of our society to be able to socialise with their peers and to enjoy various and varied activities. Optional transport is provided to and from the Day Centre as well as providing tea/coffee/biscuits on arrival in the morning and prior to departure in the afternoon. A two-course hot lunch is provided using locally provided ingredients, freshly prepared each day by our cook.

Dr David Bryant and his wife Iris, along with myself and other members of St Michael's, were instrumental in its creation. I am now honored to be a Trustee of the Day Centre, having been one of the original group that started the venture.

St Michael's church sees the work of the Day Centre as part of our outreach to the community and it needs our continued prayerful support.

Di Pigeon OBE, Trustee of Sandhurst Day Centre
