RELEASE INTERNATIONAL
Our charity for March

Founded in 1968, *Release International* is a UK-based Christian ministry, supporting believers around the world who are persecuted for Christ and the gospel.

Release International were inspired by the life and witness of Pastor Richard Wurmbrand, who spent 14 years in communist prisons. The charity are currently active in around 30 countries where, prayerfully, pastorally and practically, they seek to love and serve persecuted Christians.

As members of the body of Christ, we are commanded by him to love one another. By engaging with the ministry of *Release International*, you have an opportunity to put our Lord's command into practice and express your love for our persecuted brothers and sisters. Together we can provide for the pressing needs of those experiencing persecution, whether it's providing Bibles, legal support, food, shelter, education, or pastoral support.

Together, we can bring hope, love, and support to people who are being persecuted for their faith.
