
SANDHURST DAY CENTRE

Our charity for February

In the late 1970's, the Day Centre was established in a temporary building donated by the Yateley Round Table. This was opened for the active elderly over 55's. In 1981 a committee was established to raise funds for a permanent brick building. After years of fund raising events, donations and Grants, the dream was realised.

I have had the pleasure of being involved with the Day Centre from the first day in the temporary building.

The present Day Centre opened in 1989 where the present membership is 57 with ages now ranging 70-100. Members can attend daily between 9am-4pm where there are fully qualified carers and volunteers to assist with all needs, including serving a two-course lunch, coffee and tea Monday to Friday.

Transport is available between Crowthorne and Sandhurst.

The Day Centre is a non-profit charitable organisation that seeks to provide a stimulating environment offering service of chiropody, hairdressing, church service and varied entertainment.

There is a daily Carers Drop-in-service available for a fee charged by the hour for those carers in the community who feel they could benefit from this service.

A current great challenge is raising well over £15,000 for a new mini-bus, without which the Centre cannot function. If you would like to donate toward this, please visit the *GoFundMe* page: <https://gofund.me/63e2805d>.

Further details can be provided by contacting the Day Centre on: 01252 877601 or by email: manager@sandhurstdaycentre.org.uk.
