
THAMES HOSPICE

Our charity for March

Thames Hospice has been serving the community of East Berkshire and South Buckinghamshire for more than 36 years, they work in partnership with local healthcare colleagues to provide specialist palliative and end-of-life care services to people aged 16 and over in their own homes and within the Hospice.

The Hospice are committed to delivering care that is agile and responsive so that they give patients and their families choices about the care they receive, providing the highest quality clinical and therapeutic care within their Hospice and in patients' homes, supporting the physical, social and psychological needs of patients and their loved ones. Highly skilled Doctors and Nurses work with patients and their families to develop a complete programme of care tailored to their needs, treating everyone with dignity and respect.

Their services are free of charge to all those in the community who need vital hospice care but this is only made possible through charitable support and generosity of our amazing community. *Thames Hospice* receive a 26% financial contribution towards operating costs, funded by NHS England, and need to raise £38,363 each day to fund their services 365 days a year to the people who need them most.

Several members of our congregation have been helped by this charity. Please donate what you can to help keep hospice care available for those in desperate need.

For information on how donate, or other ways you can help the charity, please visit:
